

## Brecon War Memorial Hospital Garden Upgraded

On Tuesday 6th August members of Brecon Freemasons were invited to attend the official opening of the garden development of the Epynt & Crug wards at Brecon War Memorial Hospital. The work had been completed following a donation from Brecon Freemasons.

W.Bro David Swain, WBro Des Preece, VWBro Dr Paul  
Calderwood

Graham Richards Brecknock Lodge No651 Charity Steward responded on behalf of the Freemasons stating that the donation was part of their Tercentenary celebrations and this was the largest single donation ever given to a local charity/organisation by Brecon Freemasons and this local hospital facility was a most worthy cause.

All those present were then taken on guided tour of the two gardens with Powys Health Board staff on hand to explain the criteria for planning the layout and equipment which would aid both patients and visitors alike.
