ATTENDANCE AT LODGES OVERSEAS.

The board of general purposes of The Grand Lodge is informed from time to time of members of Lodges who go abroad and become involved, through ignorance, with Masonic bodies not recognised as regular by the United Grand Lodge. The Board wishes to draw attention to this danger, and to point out that the best method of combating it is for Lodges to impress on its members that they should not make any Masonic contacts overseas with members of other Jurisdictions without having ascertained by application to the Grand Secretary at Freemasons Hall the existence of regular Masonry in the country concerned, and the address to which Masonic enquiries in that country should be directed.
