8th June 2016

Dear Brethren All,

I greet you all warmly and well.

During the summer recess it is the Association Committee's intention to appoint a Brother to act as a permanent Janitor for the Masonic Hall and in this respect, applications of interest are invited to be made to the Secretary or myself, before the 31st June. A job description is attached for further information, however, should anyone have any other queries, please do not hesitate to get in touch. Interviews will take place following the application cut-off date and it is our intention for the successful candidate to start with the new Masonic season in September.

With kind fraternal regards.

Nigel.

Secretary to the Association.
