Brethren,

I am writing to inform you that the Right Worshipful Provincial Grand Master has with great regret accepted the resignation of W.Bro. Kelvin L. Jones, PSGD as an Assistant Provincial Grand Master – owing to health and other personal issues.

Brother Jones has more than 40 years' experience in Freemasonry and prior to being appointed as an Assistant Provincial Grand Master spent ten successful years as the Provincial Deputy Grand Registrar. A summary of his distinguished career may be found [here](#)¹.

He has made an enormous contribution to the wellbeing of the Province during his time of active service, and I know that we all wish him well for the future and look forward to enjoying his company in the years ahead.

Yours sincerely and fraternally,

W.Bro. Ben Gait, PAGDC
Provincial Grand Secretary
